

Essay #3 – Exploring a New York World’s Fair – Milestone #2 – Full Draft

ESSAY #4 FULL DRAFT: DUE FRI. DEC. 11th, 2020 (11:59 pm)

FORMAT: Typed, double-spaced; 750 – 900 words (3 to 3-1/2 pages) plus Works Cited page.

As before, turn in your 2 historical photos on an extra page after your Works Cited page.

The following (updated) guidelines should help you make sure your final draft is ‘complete.’

- **Argument and Essay Structure:**

- ☐ About **3 – 4** pages of essay writing, including:

- ☐ Introduction and thesis (1 page)
 - ☐ Body/evidence paragraphs (about **2** pages)
 - ☐ Conclusion (about 1/2 page)

- **Final Evidence Checklist (AVOIDING PLAGIARISM):**

- ☐ Are all words in your essay your own?
 - ☐ If they are not, are they in quotes? Are they cited?
 - ☐ Are there sentences with paraphrased ideas (facts / opinions from others)? If so, are they cited?
 - ☐ As you proofread your sentences, you must ask yourself:
 - Does this word, phrase or sentence come from a source?
If it does, use quotes and a citation.
 - Does this sentence (which is completely in your own words) express an idea or fact from a source?
If it does, also use a citation. (PARAPHRASE)

IF YOU DO NOT ATTRIBUTE THE IDEAS (PARAPHRASE) AND WORDS (QUOTES) OF YOUR SOURCES, THAT IS PLAGIARISM.

(BOTTOM LINE: MANY OF THE SENTENCES IN YOUR PAPER SHOULD BE CITED.)

● **Works Cited (about 2 pages):**

- ☐ Have you double-spaced your Works Cited entries, indenting the second, third (etc.) lines?
- ☐ Is each entry correctly formatted? See our “Creating a Works Cited Page” handout.
for a complete list of sample citations.
- ☐ Have you removed your annotations?

☐ **Distribution of Sources (3 or 4 sources)**

[] #1 Gelertner Book (from the Course Pack)

[] #2 Encyclopedia Article (from the Course Pack)

[] #3 & #4 2 Historical Photographs on the World's Fair

● **FOR THIS VERSION, ANNOTATIONS SHOULD BE REMOVED FROM YOUR WORKS CITED PAGE.**

Even if you don't cite every work on your Works Cited page, it should be listed. BUT MAKE SURE THAT YOU DO NOT 'BORROW' WORDS / IDEAS IN YOUR ESSAY WITHOUT CITATIONS; THIS IS INADVERTENT PLAGIARISM.
