

ENG 208 – Introduction to Digital Journalism
Dragan

Blog Assignment #5 – Final Course Reflection

DUE DATE: FRI., DEC. 11th, 2020 (11:59 pm)**

Topic Description

****Write a 325 to 400-word post on your blog (on WordPress) on the prompt below.**

Our final blog post is to reflect or think about your writing, online exploration of examples from the field, reading and hands-on work creating some digital journalism.

****In your post, try to answer some of the following questions:**

****How have you grown as a digital journalist from the beginning to the end of the course? Reflect on what you can do now (after finishing the course) with what you could do as a journalist before. What digital (or non-digital) skills) have improved?**

****Which example of digital journalism (from djlinks.publishproject.com or somewhere else) was most impressive to you and why? What does this example show about the state of media today – and its possibilities for creating meaningful, engaging (and even profitable) journalism that informs and moves digital readers in a responsible way?**

****What two areas of 21st-century journalism interest you most? (For example, news, written journalism, long-form journalism, digital photography, audio journalism, video journalism, data journalism, data visualization and / or social media, etc.) How will build on this course to grow your skills and interests in your future work as a journalist -- either on your own or in future courses (at LaGuardia or at another college if you are graduating)?**

****Finally, after taking this course, are you more or less optimistic about the possibilities for 21st-century media careers? What would you tell someone who is considering studying journalism after taking this class and seeing the new kinds of journalism that are being practiced today?**

****PLEASE CLEARLY LABEL YOUR POSTS THAT ARE IN RESPONSE TO THESE BLOG ASSIGNMENTS, for example, "Blog Assignment #5 -- Final Reflection."**

Please also remember to tag this blog post with "ENG 208" and "Blog Asg. #5" (**recommended**) and a few words that describe your post. Make sure your post is clearly labeled.

IMPORTANT!!! THE DEADLINE TO FINISH AND POST BLOG ASSIGNMENT #5 IS FRI., DEC. 11th, 2020 (11:59 pm). *Your instructor will be collecting work from your blog some time on Saturday 12/12, and after that happens, you will not get credit for late posts! So please plan accordingly.*

*****AFTER THIS DEADLINE, YOU WILL NOT RECEIVE CREDIT FOR YOUR BLOG POST.***

*****Some Hints:**

- Aim to write clearly, but quickly. Revise what you write a bit before you post. Your post does not have to have extremely polished writing, but you do want to use complete sentences and paragraphs that are clear and grammatically correct.
- Remember, you can edit and improve your post by editing any of your posts in WordPress (once you are logged in).

● **Important!!**

Label this post clearly as "Blog Assignment #6 – Course Reflection" in a title and a tag (try to include the assignment number in the title) so the rest of the class – including your instructor -- can find it easily.

Remember to tag all your critical thinking blog posts using "ENG 208" and a few words that describe your post. (Tagging your posts will help others find them.)
